

REMARKS

Reconsideration in view of the foregoing amendments and following remarks is respectfully requested.

The new drawing figure which was submitted, it is believed, at the Examiner's request, does not introduce any new matter. Please refer to the subject matter of Applicant's previous patent, which is incorporated herein by FIG. 6, as all of the claimed subject matter is disclosed in the drawing and the previous patent.

The amendment to the specification was made, it is believed, at the request of the Examiner, to correspond to the new FIG. 6. No new matter has been added.

Claim 1 has been canceled to overcome the double patenting rejection.

Claim 2 has been amended to overcome the 35 USC § 112 rejection.

Claim 2 is significantly different from Applicant's previous patent, and Applicant will be pleased to provide a terminal disclaimer upon Examiner's request.

If there are any further issues yet to be resolved to advance the prosecution of this patent application to issue, the Examiner is requested to telephone the undersigned counsel.
